Sir,

I have the honour to submit, herewith, for sanction, two estimates one for Rupees 612 — — —, and the other for Rupees 1279-8-—, for constructing a compound wall and effecting certain other improvements to the temples of Sri Lakshmikanta Swamy and Sri Gangadhareshwara Swamy, respectively, at Tumkur, together with copies of letters nos: 127 and 128 of the 24th April last, from Assistant Commissioner, Mr Seshadriengar on the subject. Encouraged by the support kindly promised by you when you paid a visit to these temples in February last, Messrs T. Ramachandra Rao, Karnik Nallappa, and Raja Nanjappa Setti executed Mutchalikas to the effect that in the event of a Government grant of Rupees 700 (Rupees 350 to each temple) being made, they would carry out the works mentioned in the

Estimates amounting to Rupees 1891-8 — a by supplementing the grant with subscriptions from the townspeople. I authorized them to commence the works in anticipation of your sanction, and I am glad to be able to state that the works have progressed satisfactorily and are nearing completion.

2 The earnestness and devotion displayed by the abovementioned gentlemen in the interests of the temples in question are commendable, and it is a pleasure to see hundreds of people attending the daily worship in them, when contrasted with the state of things previous to the outbreak of Plague in the town in 1898

3. I beg to request that early sanction may be kindly accorded to the estimates, herewith forwarded.
